

# 25 Laws For Doing The Impossible

**RECREATE YOURSELF**

**IDENTIFY YOUR CAUSE**

**GO MAKE HISTORY**

# Recreate Yourself

## FIND YOUR WHY

- Mankind is lazy until something catches his heart. You have to know what you are fighting for. Your "Why" is what fuels your life.
- Imagination is one of the things that separates humans from all other living creatures: the ability to see things not as they are but as we imagine them to be.

## WORK LIKE IT'S 1880

- Blessed is the person who is too busy to worry in the daytime and too sleepy to worry at night.
- The dictionary is the only place that success comes before work. Hard work is the price we must pay for success. I think you can accomplish anything if you're willing to pay the price. - Vince Lombardi
- Winning isn't something that happens suddenly on the field when the whistle blows up in the crowds roar. Winning is something that builds physically and mentally every day that you train in every night that you dream. - Emmett Smith

## STRENGTHEN YOUR GREATEST WEAPON

- Intellectual growth should commence at birth and cease only at death. - Albert Einstein
- I know quite certainly that I myself have no special talent; curiosity, obsession and dogged endurance, combined with self criticism, have brought me to my ideas. - Albert Einstein
- You cannot solve a problem with the same level of thinking that created it. - Albert Einstein

# Identify Your Cause

## GO ALL IN

- One hour per day of study will put you at the top of your field within three years. Within five years you'll be a national authority. In seven years, you will be one of the best people in the world at what you do.
- Greatness comes from finding work that isn't merely a job to you. It comes from finding work that is a cause within you.
- You must be single minded. Drive for the one thing on which you have decided. - George Patton

## AIM FOR THE MOON

- The first step to achieving the impossible is having the courage to attempt it.
- True miracles are created by men when they use the courage and intelligence that God gave them.
- Confidence comes not from always being right but from not fearing to be wrong.

## TURN YOUR CAUSE INTO A CRUSADE

- Nothing is more difficult and therefore more precious, then to be able to decide. - Napoleon Bonaparte
- Vision without action is a daydream. Action without vision is a nightmare.
- If the door doesn't open today, come back and rip the hinges off! - Les Brown
- Fortune and love favors the brave. Ovid

# Go Make History

## BE BOLD

- History will be kind to me for I intend to write it. - Winston Churchill
- Do not wait. The time will never be just right. Start where you stand, and work with whatever tools you have at your command, and better tools will be found as you go along. - Napoleon Hill
- We never feel completely ready for life's big decisions; but in taking the leap, we push ourselves to the next level.

## CHARGE YOUR BATTERY WITH CHALLENGES

- A successful man is one who can lay a firm foundation with the bricks others have thrown at him.
- I've come to believe that all my past failure and frustrations were actually laying the foundation for the understandings that have created the new level of thinking that I know enjoy. - Tony Robbins
- A hero is an ordinary individual who finds the strength to persevere and endure in spite of overwhelming obstacles. - Christopher Reeve
